

# Argentina Phone Number

Own and Control an Argentina Virtual Phone Number

Argentina Phone Number Provides a Direct Connection to the Argentina Marketplace and your associates and family located in Argentina.

**Argentina** Phone Number Enables Global Call Forwarding

Although Argentina has an advanced telecom sector, none of the Argentina telephone companies permit call forwarding beyond the Argentina border.

This means if you own or want to own an Argentina phone number and wish to have Argentina calls divert to another country, you cannot do so using the Argentina telephone service provider (PTT) phone numbers.

Our service provides a solution to the international call forwarding requirement from Argentina and assists you to own an Argentina phone number with global call forwarding capabilities.
