

Russia Phone Number

Own and Control a Russia Phone Number

Russia Phone Number Provides a Direct Connection to the Russian Marketplace and your associates and family located in Russia.

Russia Phone Number Enables Global Call Forwarding

Although Russia has an advanced telecom sector, none of the Russia telephone companies permit call forwarding beyond the Russia border.

This means if you own or want to own a Russian phone number and wish to have Russia calls divert to another country, you cannot do so using the Russia telephone service provider (PTT) phone numbers.

Our service provides a solution to the international call forwarding requirement from Russia and assists you to own and control Russia phone number *with global call forwarding capabilities.*
